

LEARNING LAUNCH ▶▶▶▶

Implementation Checklist

1. Preview available courses on the [Training Tools](#) page of EduRisk Solutions.
2. Review implementation resources on [Learning Launch](#).
3. [Submit your training plan](#).
4. Participate in a pre-launch check-in call with a technical consultant to verify the site configuration meets your needs and address any questions you have before starting.
5. Prepare and submit your bulk upload file for processing (if applicable).
6. Distribute an email communication to your learners to invite them to begin training.
